SPRINGFIELD, IL – The LPGA State Farm Classic is taking part in the "Give a Day, Get a Disney Day" campaign. Everyone who volunteers a day to help at the 2010 Tournament will be eligible to receive a free one-day pass to a Walt Disney park. The event will need more than 1200 volunteers to assist with setup and tear down, gates, scoring, parking, security and on-course marshalling leading up to and throughout the tournament. The LPGA State Farm Classic will be held at Panther Creek Country Club in Springfield, June 7-13th.

"Our volunteers make up the foundation of this tournament. Without their continuous support, we would not be able to hold this world-class event," State Farm Classic Executive Director Kate Peters said. "The "Give a Day, Get a Disney Day" campaign gives us another opportunity to show our appreciation for all that our volunteers do to ensure the success of the State Farm Classic over the last 35 years – and for the years to come."

The Disney "Give a Day, Get a Disney Day" effort offers a free one-day admission ticket to a Walt Disney World Resort or Disneyland Resort theme park to one million people who perform a volunteer service for a participating organization. Volunteers for the LPGA State Farm Classic can participate by visiting www.DisneyParks.com. To register for the chance to receive a ticket, click on the Give A Day tab, search for the State Farm Classic and sign up to volunteer. Participants will also need to register for service with the State Farm Classic Tournament office. Volunteers will be issued a free one-day admission ticket to one of the Walt Disney Parks after their service for the event is completed, while supplies last.

Volunteers can sign up to assist in positions including: Security, who monitor various areas throughout the golf course, secures VIP hospitality areas by close monitoring of appropriate credentials; Marshals, who are responsible for assisting crowd and player movement; Walking Scorers who walks inside the ropes with a group of two or three professionals for 18 holes recording statistics for each individual player.
