LPGA State Farm Classic Reschedules Golf Discount Junior Clinic

Register now for August 7th event at Panther Creek Country Club

SPRINGFIELD, Ill. – The LPGA State Farm Classic has announced the rescheduled date for the 2010 LPGA State Farm Classic Junior Clinic presented by Golf Discount after the original event was cancelled due to weather during tournament week. The junior clinic will be Saturday, August 7th at 3:30 p.m. at Panther Creek Country Club. The two hour clinic is open to kids ages 7 to 17 free of charge. Preregistration is available through the State Farm Classic office.

“The LPGA State Farm Classic Junior Clinic presented by Golf Discount is a wonderful opportunity for kids in our community to learn about the game and get some tips from the pros. We’re happy to have the opportunity to reschedule the clinic and encourage families to take advantage of the free event,” Executive Director Kate Peters said.

The event will include a 30 minute clinic followed by hands on instruction in various areas of the game. LPGA Pro Audra Burks will conduct the clinic with assistance from area teaching professionals. Families can preregister by calling the tournament office at 217-787-5742.
